Get the Most Out of Your Garden

Attend our FREE **Soils, Watering and Fertilizing Workshop**

Unlock the mysteries of soil and fertilizer, and how they affect plant growth.

Topics include:

- Types of soils and ways to find out what type you have in your yard
- How to water properly for your soil type
- Simple tests to avoid "brown spots" in your lawn
- Making the most of your current irrigation system

Also, learn how to choose the right type of fertilizer for your garden to get the biggest blooms, the largest fruits and the healthiest native plants!

Refreshments are provided

When: Thursday, June 23
6:30 p.m. - 8:30 p.m.

Where: Santa Margarita Water District
26111 Antonio Parkway
Rancho Santa Margarita
